
2. Type, batch or serial number or any other element allowing identification of the construction product as required under Article 11(4):
   Product name: Acriflex pH4.
   Production date and batch are printed on the package.
   Production plant: Diasen Srl - zona Ind.le Berbentina, 5 - 60041 Sassoferrato (AN).

3. Intended use or uses of the construction product, in accordance with the applicable harmonized technical specification, as foreseen by the manufacturer:
   Products and systems for the protection and restoration of concrete structures – Part 2 : Systems to protect concrete surfaces in accordance with UNI EN 1504-2.
   Intended use: products for superficial protection - coating (C). Uses: moisture control and resistivity increase. Product used in buildings and civil engineer works.

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required under Article 11(5):

5. Where applicable, name and contact address of the authorized representative whose mandate covers the tasks specified in Article 12(2):
   Not applicable.

6. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:
   System 2+.

7. In case of the declaration of performance concerning a construction product covered by a harmonized standard:
   Istituto di Ricerche e Collaudi M. Masini - Identification number: 0068
   Has done:
   1. initial inspection of the production plant and production control;
   2. supervision, assessment and evaluation of plant production control. According to system 2+ and issued the certificate of conformity of the plant production control num. 0068-CPR-023/2014 dated 31/03/2014..

8. Declared performance:
